Day One – A one day itinerary

Travel to **Fosterfields Living Historical Farm** in **Morris Township** and explore the rural past at this late 19th century working farm. See how a “gentleman farmer” within the wealthy Morristown social circle ran his estate. Known for its purebred Jersey cattle and innovative agricultural practices, Fosterfields helps you to experience daily life through demonstrations by interpreters in historic dress. Tour the **Willows**, built in 1854 by Paul Revere’s grandson, Joseph Revere. Savor a delicious lunch at one of the nearby restaurants. Visit **Craftsman Farms** in **Parsippany** nationally recognized as one of the most significant sites of the **American Arts and Crafts Movement** and the only house **Gustav Stickley** designed and built for himself. Known for his Mission furniture, Stickley revolutionized American decorative arts through his innovative philosophy of using natural materials. **Overnight: Morristown.**
